NOTICE TO CONTRACTORS

Sealed written proposals are invited by the CITY OF SAN JOSE for:

MARTIN PARK LANDFILL GAS CUTOFF WALL RE-BID

In accordance with and as described and provided in the Plans and Specifications thereof and the proposed form of contract thereof, all of which are on file in the office of the Director of Public Works and the City Clerk of the City, and which are made a part hereof.

This re-bid consists of four clarifications to the project specifications. The four clarifications are as follows;

- 1. Attachment 4, Insurance Requirements, has been changed from the previous specifications.**
- 2. Attachment 9, Boring Logs, have been added to this specification.**
- 3. Items 10-6.2.1 through 10-6.3.1 have been changed regarding the Gas Cutoff Wall geomembrane panels.**
- 4. Items 10-6.8.2 and 10-6.8.3 have been removed from the original specifications. These items referenced an environmental subcontractor which is not required for this bid.**

PROJECT GRANT AGREEMENT COORDINATION

This Project is partially financed by matching funds from the California Integrated Waste Management Board (CIWMB) via a Solid Waste Disposal and Codisposal Site Cleanup Grant, and is subject to the terms and conditions of that agreement, which is referenced in the Special Provisions and is also included as an attachment (Attachment 6) to the Bid Documents. Contractors wishing to bid on this Project are responsible to accept and comply with all the provisions of the CIWMB Grant Agreement in its entirety prior to bidding with the exception of Section 1.02 of Exhibit "B". This section shall be as stated in the Special Provisions.

Special attention is directed to Section 8.101 of the Special Provisions which designates that the installation of Pay Item 13 (LFG Cutoff Wall) is a "Specialty Item", as described in the City Standard Specifications and therefore may be performed by a subcontractor. The amount of any such work so performed may be deducted from the original total contract price before computing the amount of work required to be performed by the General Contractor with the General Contractor's own organization per Section 16, Exhibit "A" of the Grant Agreement provisions.

If the selected Contractor's failure to comply with any grant requirements subsequently leads to the City not receiving grant funds, the Contractor shall be responsible for such loss of funds.
